RE: Consumer comments in support of TEP's Modified Energy Efficiency Plan & Program Budgets, E-01933A-11-0055

Dear Chairman Pierce and commissioners,

I am willing to invest in energy efficiency on my bill because I understand that energy conservation programs will keep energy costs lower for everyone, reduce pollution and water use, and create jobs in my community.

I do not support allowing TEP to opt out of the Energy Efficiency Standard requirements. It should be promoting the strongest energy efficiency programs possible.

I encourage you to protect the interests of today and tomorrow's ratepayers by supporting these important energy efficiency programs.

Thank you for considering my comments.

Sincerely,
Ms. Carol Tepper
